Part : B

(1) Activities reflecting the goals and objectives of the institution.

Dr. Gordhanbhai shanabhai Patel popularly known as “Vakil Saheb”, a visionary man with outstanding academic and administrative potential established Anand Education College in 1981 to empower women to be self-reliant through professional training of B.Ed. It is an exclusive professional training institution for women that works with the motto of Vidya (knowledge) Vinay (Modesty) and Seva (Service).

Vision without - action is a dream.

Action without - a vision is just a pass time.

But vision with action, can change the world.

Anand Education College cherishes and stress that our students should strive for human ethical approach based on honesty, dedication, social justice and natural openness. Our trust spares no efforts to create an atmosphere that is conducive to higher education and moral values.

The sole objective of Anand Education College is providing training in Education to women students' teacher and cater to the needs of the society. Since its inception it has achieved a tremendous fame through its quality and excellence in teaching learning process.

The well maintained and well equipped college provides in ideal environment for all-round development of the student teachers .The institution uplifts the weaker students to level of good students by the faculties of the college .Skill development, career training, computer literacy, community orientation, value education and personality development etc. are part of the teacher training programme.

The Institution works with the vision of empowering rural women student teachers to be complete, competent and self reliant to serve locally and globally through education. The student teachers are rendering their service as teachers and administrators school and college level locally and globally. The college organizes lecturers of eminent personalities of various disciplines with a view to making student teachers to be aware of multi-disciplinary approach value integrated education to be integrating part of training and the institution tries to inculcate values like Democratic Citizenship, Secularism, Scientific Attitude, National Integration and Universal Values.

Keeping Unity in Diversity in mind institute celebrated festivals of different religious with a view of making trained aware of our great civilization places of world Heritage like Indus Valleys civilization LOTHAL and STEP WELL (Raniki Vava) MODHERA SUN Temple were visited. The college celebrated Social and National festival and also celebrated special days as proposed by MHRD. To sensitize trainees for burning issues various were organized. There programme include tree plantation. AIDS Awareness Thallessemiya. Trainees Participate in various sports activities of university and Inter College. The college celebrated SPORTS DAY. At the end of the year feedback from trainees are acquired and after healthy discussions further program of action is planed out.

(2) New academic progammes initiated (UG & PG)

The Institution proposed to start centre for scope (Society for creation of opportunities through proficiency in English.

(3) Innovations in curricular design and transaction.

As a Part of innovation in curricular augmentation at the college level, the faculty member framed syllabus of Accountancy and Social Science content test was conducted in the first academic session and evaluation was done by Peer Group. Students' teachers 5 are assigned the work of writing up assignments of methods of their choice. Faculty members evaluate the assignments and plans out further strategies for improvement. Faculty developed Question bank was distributed to the trainees in the beginning of the academic year. Simultaneously book exhibition was also organized to develop referential skill of trainees. Students seminar is a unique feature of this institute before seminar presentation they consult the concerning faculty and use multimedia for presentation Institute organized work shop on T.L.M. There is special display board for exhibiting creativity of student teachers Material prepared by student teacher is exhibited on METHOD wise display board. The same is utilized during Block Teaching and Internship programme. A special exhibition was also organized and students and teachers of practicing schools were also invited.

Criticism lesson is novel experience provided to the student teachers method wise innovative lessons were conducted and the same were observed minutely by Peer group, Principal and Faculty members.

Trainees were on preparing SCRAP BOOK in their selected methods. The institution prepares challenging teachers to face challenges of 21st century, before they are recruited in school. College organized Mock Interview and invited selection committee to select the candidate purely on merit. This new idea created confidence among the student teachers. It was observed that they could face the interview without fear when they apply for the posts.

Leadership development and creating leaders around leaders institute motivated trainees to plan and implement YOUTH WEEK CELEBRATION. The entire week was celebrated by the trainees and thus they were trained for EVENT MANAGEMENT.

(4) Inter disciplinary programmes started

The institute motivated student teachers and faculties to participate and present papers in seminar and conferences organized by discipline other than education.

(5) Examination Reforms Implementer

The institute is affiliated to Sardar Patel University, Vallabh Vidyanagar. There is special examination Reform unit. The ERU Collected responses represented by the faculty members and modification on required were communicated. The internal Evaluation system is very transparent student teachers are shown their answer books. Thus they learn and improve themselves for the next evaluation Answer books of high achiever are also shown to the trainees. The top ten student teachers were invited to offer their suggestions.

(6) Candidates Qualified : NET / SLET / GATE etc.

The Alumni Association provided information regarding NET / SLET GATE examination during academic year 2009-10 was awarded
