7.1.1: Institution has a stated energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements

Social awareness is the main function of education. Awareness programme like Save Electricity, Save Water, Save Environment, Cleanliness Campaign are carried out in higher education institutions.

Special efforts are being made for the implementation of Solar Roof Top Scheme in the country in terms of save electricity. Our college has also organized a Solar Roof Top this year with the financial support of the Alumni Association. An appeal has also been made to the former trainees of the institute to donate for this project. A resolution has also been passed in the executive of the Alumni Association the organization is committed to complete the project by calling a general body meeting in the coming days.
